

KANKNARRAH COMPANY LIMITED

An ISO 9001:2015, 14001:2015 & OHSAS 18001:2007 Certified Company

PROFILE OF KANKNARRAH CO. LTD

Kanknarrah Company Limited was incorporated in 1882 at Calcutta with the object of manufacturing jute goods. The Company's mill is situated at Kankinara, on the left bank of river Hooghly, about 22 miles north of Calcutta.

Messrs. Jardine Henderson, Limited was managing the Company as Managing Agents till the close of business on September 30, 1968. Since then, the management of the Company has been vested in the Board of Directors. The Management of the Company changed hands when the controlling shares were purchased by Mr. B.C. Jain, Mr. G.D. Daga & Mr. D.R. Patni and others during March, 1988. The performance of the Company improved significantly since then.

The Company in order to increase its productivity and at the same time replace some of its non-functioning & ageing machinery, imported jute mill machinery from a closed jute mill in Uganda.

Management & Organizational set-up

The Company is run by the Board of Directors comprising of the Chairman-cum-Managing Director and two Directors:-
